

# Happy Tails for JJ

## A portrait benefit event

**Sunday, July 24th • 10 a.m. to 5 p.m. • Brea, CA**

**The Proffitt Family** was blessed to welcome their first son, JJ Proffitt, into the world in June 2008. Shortly after his first birthday, JJ began to experience delays and tantrums, and a scary pattern emerged. In 2010, he was diagnosed with autism. Every day is a struggle to keep JJ safe in a world of many dangers.

**The Proffitts have been approved to receive a service dog through Autism Service Dogs of America.** While this animal will provide a much needed physical and emotional tether to the world around him, JJ and his family face the daunting task of raising the necessary funds for the training of their dog. A single-income military family, the Proffitts are required to raise \$13,500 to cover the costs of the companion JJ so desperately needs.

**Please join us** as portrait photographers from throughout Southern California join together for a unique opportunity to help the Proffitt family as well as provide a unique photographic experience. For a suggested minimum donation of only \$25, families, professionals, models - anyone! - will receive a 15 to 20 minute studio session with one of SoCal's best photographers at this special event. All proceeds will directly benefit the Proffitt family in reaching their goal.

Join us:

**July 24, 2011 from 10:00 - 5:00**  
**The Orange County Photography Center**

590 W. Central Avenue, Suite A  
Brea, CA 92821
